Subject: Waiver Request

To Whom It May Concern:

I am asking the FCC to consider a waiver for FCC regulation/program rule for a BEAR form 472 which was submitted on March 20, 2017. A 120 day extension was approved for FRN # 2795384 and that extension expired on February 27, 2017. Unfortunately my 498 ID was not approved until March 10, 2017.

I have attached email correspondence to this request for your review. These will confirm the dates that I have provided above.

The FRN is approved and the money is allocated to it. I am simply asking for my 120 day deadline to be extended so that I can complete the reimbursement process via the BEAR 472 form.

If you have any further questions please feel free to contact me at [TSHUMAN@LTES.ORG](mailto:TSHUMAN@LTES.ORG)

Thank you for your consideration of this matter.

Sincerely,

Thomas Shuman
